FINANCIAL POLICY

Thank you for selecting our office as your child's pediatric dental provider. The following is a statement of our financial policy which we ask that you read, understand, and sign prior to any treatment.

We are committed to providing your child with the best possible dental care and we are happy to discuss our professional fees with you at any time during our normal business hours. Your clear understanding of our financial policy is important to our professional relationship. Please do not hesitate to ask if you have any questions or concerns about our fees, our financial policy, or your responsibility. Payment is required at each appointment before service is rendered and can be made by cash, MasterCard, or Visa; No personal or business checks will be accepted. Please be aware that the parent/guardian accompanying the child to our office is legally responsible for payments on all charges. We cannot send statements to other addresses or adults who are not present.

DENTAL INSURANCE INFORMATION

As a courtesy to you, our patients, we will file your dental insurance claim for you. We also, as a courtesy to you, will accept assignment of benefits. Once we have verified your insurance benefits, we will file the claims for you. We estimate what we think it will be and we ask that you pay the remaining balance at the time services are rendered. If there is still a balance after an insurance payment has been issued, you will be billed the remaining portion. Although we normally verify insurance eligibility prior to your visit, payment for your visit is subject to review by your insurance company. You, the parent/guardian, are responsible for your entire account balance. If, for some reason, your insurance company does not pay on your claim, you are expected to pay it in full within 30 days of the date of treatment. If your insurance company becomes unduly difficult to deal with, we will ask that you proceed with whatever measures you deem appropriate to collect on your claim.

Payment plans will be offered only through Care Credit. Please visit www.CareCredit.com for more information. You may also contact our office for more information.

REQUEST AND CONSENT FOR PEDIATRIC DENTAL TREATMENT

Please read this form *carefully!*

Please ask if you have any questions or concerns. We will be pleased to explain.

1. I request and authorize the treatment and procedures outlined on the PLAN OF CARE for:

Patient Name _____

Date of Initial Visit _____ / _____ / _____

2. I further request and authorize the cleaning, fluoride treatment, dental x-rays and the use of anesthetics as may be considered necessary to treat the patient's dental problem(s).
3. I have had explained to me by the dentist and his associates, and have had sufficient opportunity to discuss the patient's dental condition/problem(s), the planned procedures and treatment, and the benefits to be reasonably expected from this treatment plan, compared with alternative approaches and/or no treatment.
4. The usual and most frequent risks or complications occurring from this planned treatment and procedures also have been explained to me. These risks include but are not limited to, the possibility of pain or discomfort during the treatment, swelling, infection, bleeding, injury to adjacent teeth and surrounding tissue, development of a temporomandibular joint disorder, temporary or permanent numbness, and allergic reactions.
5. I understand that during the course of the patient's dental treatment, something unexpected may arise that may necessitate procedures in addition to or different from those listed on the patient's PLAN OF CARE and that I will be consulted prior to initiation of treatment procedures not listed. I am aware that the practice of dentistry is not an exact science and acknowledge that no guarantees have been made to me concerning the results of the dental treatment that the patient receives in-office.
6. I understand that treatment for children includes efforts to guide their behavior by helping them to understand the treatment in terms appropriate for their age. Behavior will be guided using praise, explanation and demonstration of procedures and instruments, using variable voice tone and loudness.
7. I understand that should the patient become uncooperative during dental procedures with movement of head, arms and/or legs, dental treatment cannot be *safely* provided. During such disruptive behavior, it may be necessary for the assistant(s) to hold the patient's hands, stabilize the head and/or control leg movements.
8. I further understand that should the patient become uncooperative during dental procedures with *excessive* body movements, the patient may need to be wrapped in a "hug blanket" or "papoose board" to prevent injury and enable the dentist to *safely* perform the necessary treatment.
9. For the purpose of advancing medical-dental education, I give permission for the use of clinical photographs of the patient for diagnostic, scientific, educational or research purposes.
10. All of my questions have been answered to my satisfaction and I consent to the treatment and procedures prescribed for the patient on the PLAN OF CARE.
11. I understand that I may revoke this consent to treatment at any time and that no further action based on this consent will be initiated except to the extent that treatment and procedures have already been performed or initiated.
12. I confirm that I have read and understand this form or it was read to me, and that all blanks were filled in and all inapplicable paragraphs, if any, were stricken before I signed below.

Consent for Dental Treatment

I request and authorize the dentist to examine, clean, and provide dental treatment on my child's teeth. I further request and authorize the taking of dental x-rays as may be considered necessary by the dentist to diagnose and/or treat my child's dental problem. I will allow photographs to be taken of my child or child's teeth for diagnostic or educational purposes. I understand that dental treatment for children includes efforts to guide their behavior by helping them to understand the treatment in terms appropriate for their age. The dentist will provide an environment likely to help children learn to cooperate during treatment by using praise, explanation and demonstration of procedures and instruments, and using variable voice tone. I will be responsible for any charges incurred on this child for dental treatment.

Cancellation & Missed Appointment Policy

Our goal at Tooth Booth Pediatric Dentistry is to provide you and your child with convenient accessible, high-quality dental care. In order for our practice to ensure convenience and accessibility to all of our patients, it is important that patients arrive on time for all scheduled appointments or cancel the appointment 24 hours in advance. Late arrivals, missed appointments, or canceled appointments without 24 hours advanced notice will be subject to a **\$25 fee per patient**. This policy allows our practice to make better use of our available appointments for other patients in need of dental care.

Cancellation of an Appointment

You may cancel your scheduled appointment by emailing our practice anytime at toothbooth4kids@gmail.com or calling the office during regular business hours. This should be 24 hours in advance of the scheduled appointment date and time. Repeated missed appointments may result in discharge from the practice.

Missed Appointment Policy

A “missed appointment” is an occurrence where someone does not show up for an appointment and does not cancel the appointment in advance of the scheduled date and time. If you are more than 15 minutes late this is also considered a missed appointment as it does exceed 50% of the scheduled appointment time. If you do not show up for your appointment, arrive more than 15 minutes late, or do not cancel the appointment 24 hours in advance, we will document this as a “missed appointment.”

Fees for Appointments – Financial Agreement

Failure to arrive on time, reschedule, or cancel the appointment within 24 hours of the scheduled appointment time is considered a missed appointment and will result in a fee of **\$25 per patient**. This fee is not covered by insurance and will not be submitted to insurance. It will be billed directly to the patient and it must be paid prior to scheduling the next appointment. The \$25 fee is not a one-time fee and will be charged per patient for every missed appointment. Repeated missed appointments may result in discharge from the practice.

As a courtesy to our patients we try to confirm all appointments via phone/email; however, it is ultimately the patient’s responsibility to keep their appointment. Appointments are in high demand and your early cancellation will give another patient the opportunity to be seen.

Thank you for your understanding and we appreciate your cooperation in advance.
